

JOURNAL
OFFICE OF LEGISLATIVE COUNSEL

Saturday - 7 September 1968

1. (Internal Use Only - JGO) I called Mr. Kelleher, House Armed Services Committee, and alerted him to the wire service reports of possible news announcement by the North Korean news agency on Sunday concerning the Pueblo and its crew. I pointed out that this was based on a statement of North Korea's official news agency that it will triple its usual output Sunday because of "important reports." Mr. Kelleher thanked me for the information and suggested that I mention the item to Mr. Blandford on Monday.
